

GOVERNOR ARNOLD SCHWARZENEGGER

February 3, 2005

*University of California, Los Angeles*

I am pleased to extend warm greetings to everyone gathered for the launch of the *A Ver: Revisioning Art History* book series.

Through the arts, we celebrate the highest ideals of society, and this series showcases the enriching cultural and artistic contributions of Latino American artists. I applaud you for your efforts to document the vivid history of Latino art in our nation, which is made great by its heritage of diverse ethnic populations. The writers and artists represented in these books have added much to our culture.

I send my best wishes for a memorable event and every future success.

Sincerely,

Arnold Schwarzenegger
