Join us at our workshop to learn about the UCLA Institute of American Cultures (IAC) Research Grant Program in Ethnic Studies. We will discuss the application process and share tips! The IAC invites applications for support of research on African Americans, American Indians, Asian Americans, and Chicanas/os for 2022–2023, as well as proposals on interethnic relations that will increase collaboration between the Centers and/or other campus units. Current UCLA graduate students, faculty, lecturers SOE, and staff are eligible **to apply**.
