Join us at our workshop to learn about the UCLA Institute of American Cultures (IAC) Research Grant Program in Ethnic Studies. We will discuss the application process and share tips! The IAC invites applications for support of research on African Americans, American Indians, Asian Americans, and Chicanas/os for 2023–2024, as well as proposals on interethnic relations that will increase collaboration between the Centers and/or other campus units. Note: Bunche Center will not be awarding research grants but will review inter-ethnic applications. Current UCLA graduate students, faculty, lecturers SOE, and staff are eligible to apply.

If you have any questions about the workshop, please contact
AISC Coordinator Pamela Grieman grieman@ucla.edu,

Hosted by the American Indian Studies Center (AISC), Asian American Studies Center (AASC), Ralph J. Bunche Center for African American Studies (Bunche), and Chicano Studies Research Center (CSRC).
