Gentle readers: it gives me great pleasure to announce the first leg of my book tour for *Taco USA: How Mexican Food Conquered America*. I'm burning the midnight coal with both ends of the candle's oil (or however that *pinche* metaphor goes) putting even more street corners on the agenda, but below is what I have so far. Go to them, bring a cousin or 50, and buy a book or a million! And, whenever

possible, there'll be food!

All the events are FREE (unless noted); all the books, BARATO.
