L.A. xicano

so much to share, so little time, but wanted to draw attention to peeps on the east coast to this exhibition, which I'm sneaking out of the archives early to see today. Reviews of it, our show, and the others I managed to sneak time for coming up soon.

LOTS OF PRETTY PRETTY (HISTORICAL) PICTURES

not to mention chronicling my sabbatical during 2011-2012, mostly for students since everything is a teachable moment. Random moments from life out and about the city of Philadelphia creep in from time to time.

THE BOOK IS OUT!
